## DIGITAL PRINTING : ENHANCE ALL YOUR SPACES

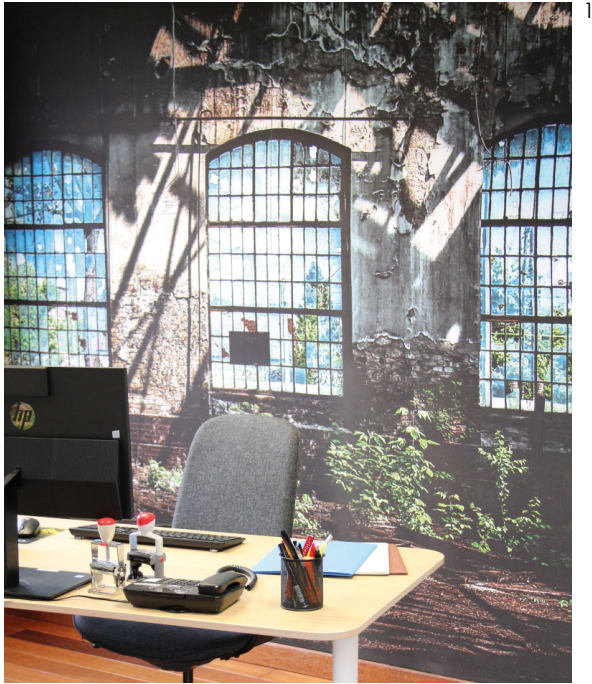

Do you wish to personalize your working spaces with your own color branding and logo? Soften the atmosphere of a meeting room? Visually enlarge your spaces?

Digital printing is the answer! With digital printing on our canvas fabric "LA" Toile, we can answer all your creative wishes, all the while improving acoustic comfort.

The printing process of digital sublimation allows for more than 16.7 million colors and an unparalleled precision on the details.

Let's be creative!

1. Opting for a scenery in perspective gives the illusion of additional space
2. The quality of printing makes even the finest details visible
3. 20 linear meter and a height of 2600 mm without any splice – your logo has room to breathe.
