## TEMPO WALL: ACOUSTIC COMFORT AND DECORATION WITH EASE

### INSTALLATION VIDEO

We are pleased to present the new TEMPO WALL installation video. Please Scan the QR code and follow the steps of installation and make it in the rightway.

### ADVANTAGES OF TEMPO WALL

#### ⊕ ACOUSTIC COMFORT

- Effectiveness of **stretched fabric**
- Acoustic correction can be adapted from **0.25 to 1  $\alpha_w$**  depending on your needs
- Results are **CSTB-certified**
- Support of our **Experts**

#### ⊕ DECORATION

- No visible connection thanks to the the **2800 mm width** layed in unrolled form
- **3 covers** : 140 colours in 3 different textures
- Personalized design thanks to **digital printing**
- **Easy** integration into the existing layout

#### ⊕ IMPLEMENTATION

- **Custom-made** product
- **Patented** installation system **DECOWEST SYSTEM®** :
  - ▶ Fast and easy installation/removal
  - ▶ No surface preparation
  - ▶ Faible immobilisation des locaux Low disturbance of premises

## TECHNICAL FACTS

- TEMPO Wall + TEMPO absorbent 4mm,
- «LE» Chiné 64 + Euroclasse Bs2d0 Wadding 2800 width
- Install without connection with patented system DÉCOWEST SYSTEM®

## TESTIMONY

"Installation of Tempo wall represents almost 90 % of my activity and I am an expert on the DECOWEST SYSTEM®.

This system has many advantages over the installation of traditional stretched fabric. Especially the fact that once you have put the clamping rails, you can remove and change the design without having to do anything to the walls. I have already changed the fabric of an entire hotel room in half a day.

With this system worksites remain clean as there is no need to sand the wall surface if the colour is even. Operations are quick and smooth.

Any professional decorator can easily grasp the TEMPO Wall system

I was willing to share my working practice to show how implementing DECOWEST SYTEM® is easy especially when paying close attention to the 3 or 4 key gestures.

Customers are satisfied with the result on the acoustics and often amazed by the visual effect."
